

Prayer Ministry

Prayer is emphasized and encouraged at Lake of the Woods Church. There are several avenues in which to participate. First and foremost is to receive prayer for any need or request one may have. By listing prayer requests on our Communication Card you will receive prayer from our prayer warriors. We also have a prayer team trained in ministering to those requesting prayer during periods of time during the service.

Members are encouraged to take the training and join the team. Guests and 'family' are encouraged to come and receive prayer regularly. There is also the opportunity to join in corporate prayer every Sunday at 9:00 to pray for the services and other needs as the Holy Spirit leads. Once a month the church also has a night of worship and prayer that is totally led by the Holy Spirit.
